# DISCOVER THE BAY

Discover the incredible world that lies beneath the surface of the San Francisco Bay.

Walk through 300 ft. of crystal clear tunnels filled with sharks, bat rays and other wondrous aquatic creatures. It's like skin diving without getting wet! Meet the Bay's largest predators – sevengill sharks that grow up to 10 feet long. Touch leopard sharks, skates, sea stars and more. Daily special events include animal feedings, naturalist presentations and story hours.
